HOW'S THE BOARD?

Old Business

Jurassic Park

- We discussed this last semester
- We were thinking of showing Jurassic Park during Winter Carnival, due to the prehistoric theme
- Are we still interested in this?

- Could we get someone to sponsor it?
 - It is an older movie, so it is cheaper
 - Could still look into it
- General thumbs up to show Jurassic Park

New Website

- The new website is complete!
- Max Isom made us a website for free
- It looks good

New Business

Joker

- A lot of people voted to show Joker
- However, the date for us being able to show Joker got moved back to Feb 1
- It is already out on DVD
- We would not be able to show it until Feb 14, if we keep Jurassic Park for Winter Carnival
 - Also, Feb 1 is a Saturday
- It would already have been out for a month and a half on DVD
- A lot of people have asked us to show Joker
- It is fairly popular overall, and probably among Tech's demographic
- Is it on a streaming service? – how many people use DVDs?
 - Might not be available to stream for some time
- We could look up a variety of other movies that may be available for that slot
- We can discuss next week, when there are other possibilities to consider
